APRIL FOOLISHNESS!

What a special program we have planned for the April Fools Day meeting of the Way Out West Tent! We gather on Tuesday, April 1st at the Mayflower Club in North Hollywood to screen the third greatest Laurel & Hardy feature of them all! That's right, after *Sons of the Desert* and *Way Out West*, the third coveted film classic from Stan and Babe was *The Devil's Brother*, which we present as your tonic for the blues! We will also see *The Ragtime Bear*, the very first theatrical Mr. Magoo cartoon and Zasu Pitts & Thelma Todd in the NEVER shown at WOW short, *The Soilers*. All this and strawberry Patty Cakes cupcakes? What a way to celebrate our favorite April Fools!

Doors open at 6:00 PM. Program begins at 6:45PM.

Our Previous Meeting

We kicked off our slate of 2025 meetings on Tuesday, January 28th with the Mae Busch tribute that we had originally planned for our February 2024 meeting, but that one got rained out by an atmospheric river – or – a smack load of rain! It was nice to salute the wonderful Ms. Busch in several of her L&H appearances including *Oliver the Eighth*, *Them Thar Hills* and *Tit for Tat* as well as her lone Our Gang movie role in *Helping Grandma*. We had just over 80 Sons attend and celebrated Oliver Hardy's birthday with a SPECTACULAR big cake from Patty Cakes! What a night!
