A Salute To The Master of the Slow Burn Edgar Kennedy

The September meeting of the Way Out West Tent pays warm tribute to the great Edgar Kennedy! We will screen *Night Owls* with Kennedy the Cop and *You're Darn Tootin'* in which Edgar directed Laurel & Hardy. Also an RKO short from Edgar's long running series called *Radio Rampage*, a rarely screened Our Gang short called *The First Seven Years* with Kennedy the Cop and a terrific 1930 Charley Chase two-reeler *The Real McCoy* which also features Thelma Todd. All this plus Chapter Four of *Drums of Fu Manchu* and a Silly Symphony cartoon *Monkey Melodies*!

Our special guest will be author Bill Cassara who will discuss Edgar's career and will have copies of his terrific biography *Edgar Kenney Master of the Slow Burn*. This hilarity takes place on Tuesday, September 15th at the Mayflower Club, 11110 Victory Blvd in North Hollywood. Doors open at 6:00 PM and the program begins at 6:45 PM.
